Commitments and Beyond

Our aim is to deliver more than just your homes. Some of our initiatives go beyond our commitments.

Responsibilities towards Environment

LED Light Fixtures have been used extensively in common areas within the buildings throughout the township in an effort to conserve energy.

Drip Irrigation has been done to save water. In this process water drips slowly to the roots of plants, either from above the soil surface or below the surface. In this system we distribute water through a network of valves, pipes, tubing, and emitters.

Enhanced Security

Video Door Phones, by Godrej, shall be provided in each apartment as an additional security measure.

All Entry/Exit points of township shall be manned round the clock. A Network of CCTV Cameras has been set up across the township (about 125 IP Cameras with 80 meter night vision) the feed from each of these cameras shall be stored and will be available for 30 days at the central security center.

A compound boundary Wall has been constructed all around township so as to provide a secure and safe environment for the residents.

Digitally Yours

- Multiple WI-FI Enabled Zones have been created across the township at various locations.
- Fiber Optic Cable network is already in place throughout the township to support plug and play for various facilities:
 - Intercom - IP based intercom facility throughout the township.
 - Telephone Services - Reliance / Tata / Bharti / BSNL / Vodafone (any one service provider)
 - Cable TV – Den / Hathway / Citi Cable (any one service provider)
 - Internet – Reliance / Tata / Bharti (any one service provider)

All the facilities being provided at the Interim Club shall be chargeable at the rates to be determined by the designated maintenance agency. All other services mentioned in this communication shall be chargeable and are provided by third party vendors as the case maybe.
