GURUGRAM - THE MILLENNIUM CITY OF INDIA

The city is witnessing a real estate boom owing to the rapid industrialisation and massive infrastructural transformation.

INFRASTRUCTURE

11 national highway projects in the State to ensure smooth connectivity from Haryana to other states, including Punjab, Delhi and Uttar Pradesh.

LUXURY HOTSPOT

Undergoing a splurge in niche residential townships and commercial developments. The best bet for investing in chic premium and hi-tech lifestyle at par with global standards.

COMMERCIAL HUB

'Biggest outsourcing hub in the country; home to Indian offices for half of Fortune 500 companies | Leading financial and banking centre of the country | Most preferred city for rental investments in the country as per several reports | High-end condominiums, entertainment and recreation centres and big malls.

REFERENCE IMAGE

PRIME REALTY HUB - GOLF COURSE EXTENSION ROAD

Golf Course Extension Road, Gurugram has been growing as a realty hub with multitude of residential and commercial real estate.

With the Golf Course Extension Road, NH-48 and Gurugram-Sohna Road connecting together, it is easy to reach Delhi, Gurugram and Faridabad. The Golf Course Extension Road is 150 mtrs. wide with 90 mtrs. road and 30 mtrs. of green belt and service road on both sides, intersecting Sohna Road to connect NH-48, is more than an advantage for customers looking for a perfect fit.

The social infrastructure, premium residential and commercial hubs, reputed schools, hospitals and 5-star hotels nearby are contributing to the emerging demand of premium real estate.

Upscale micro-market with a perfect mix of completed and under construction projects for the end user and the investors. ²Immense potential for property appreciation; the proposed metro line connecting Huda City Centre to Manesar is likely to increase the price value of the properties on the Golf Course Extension Road.

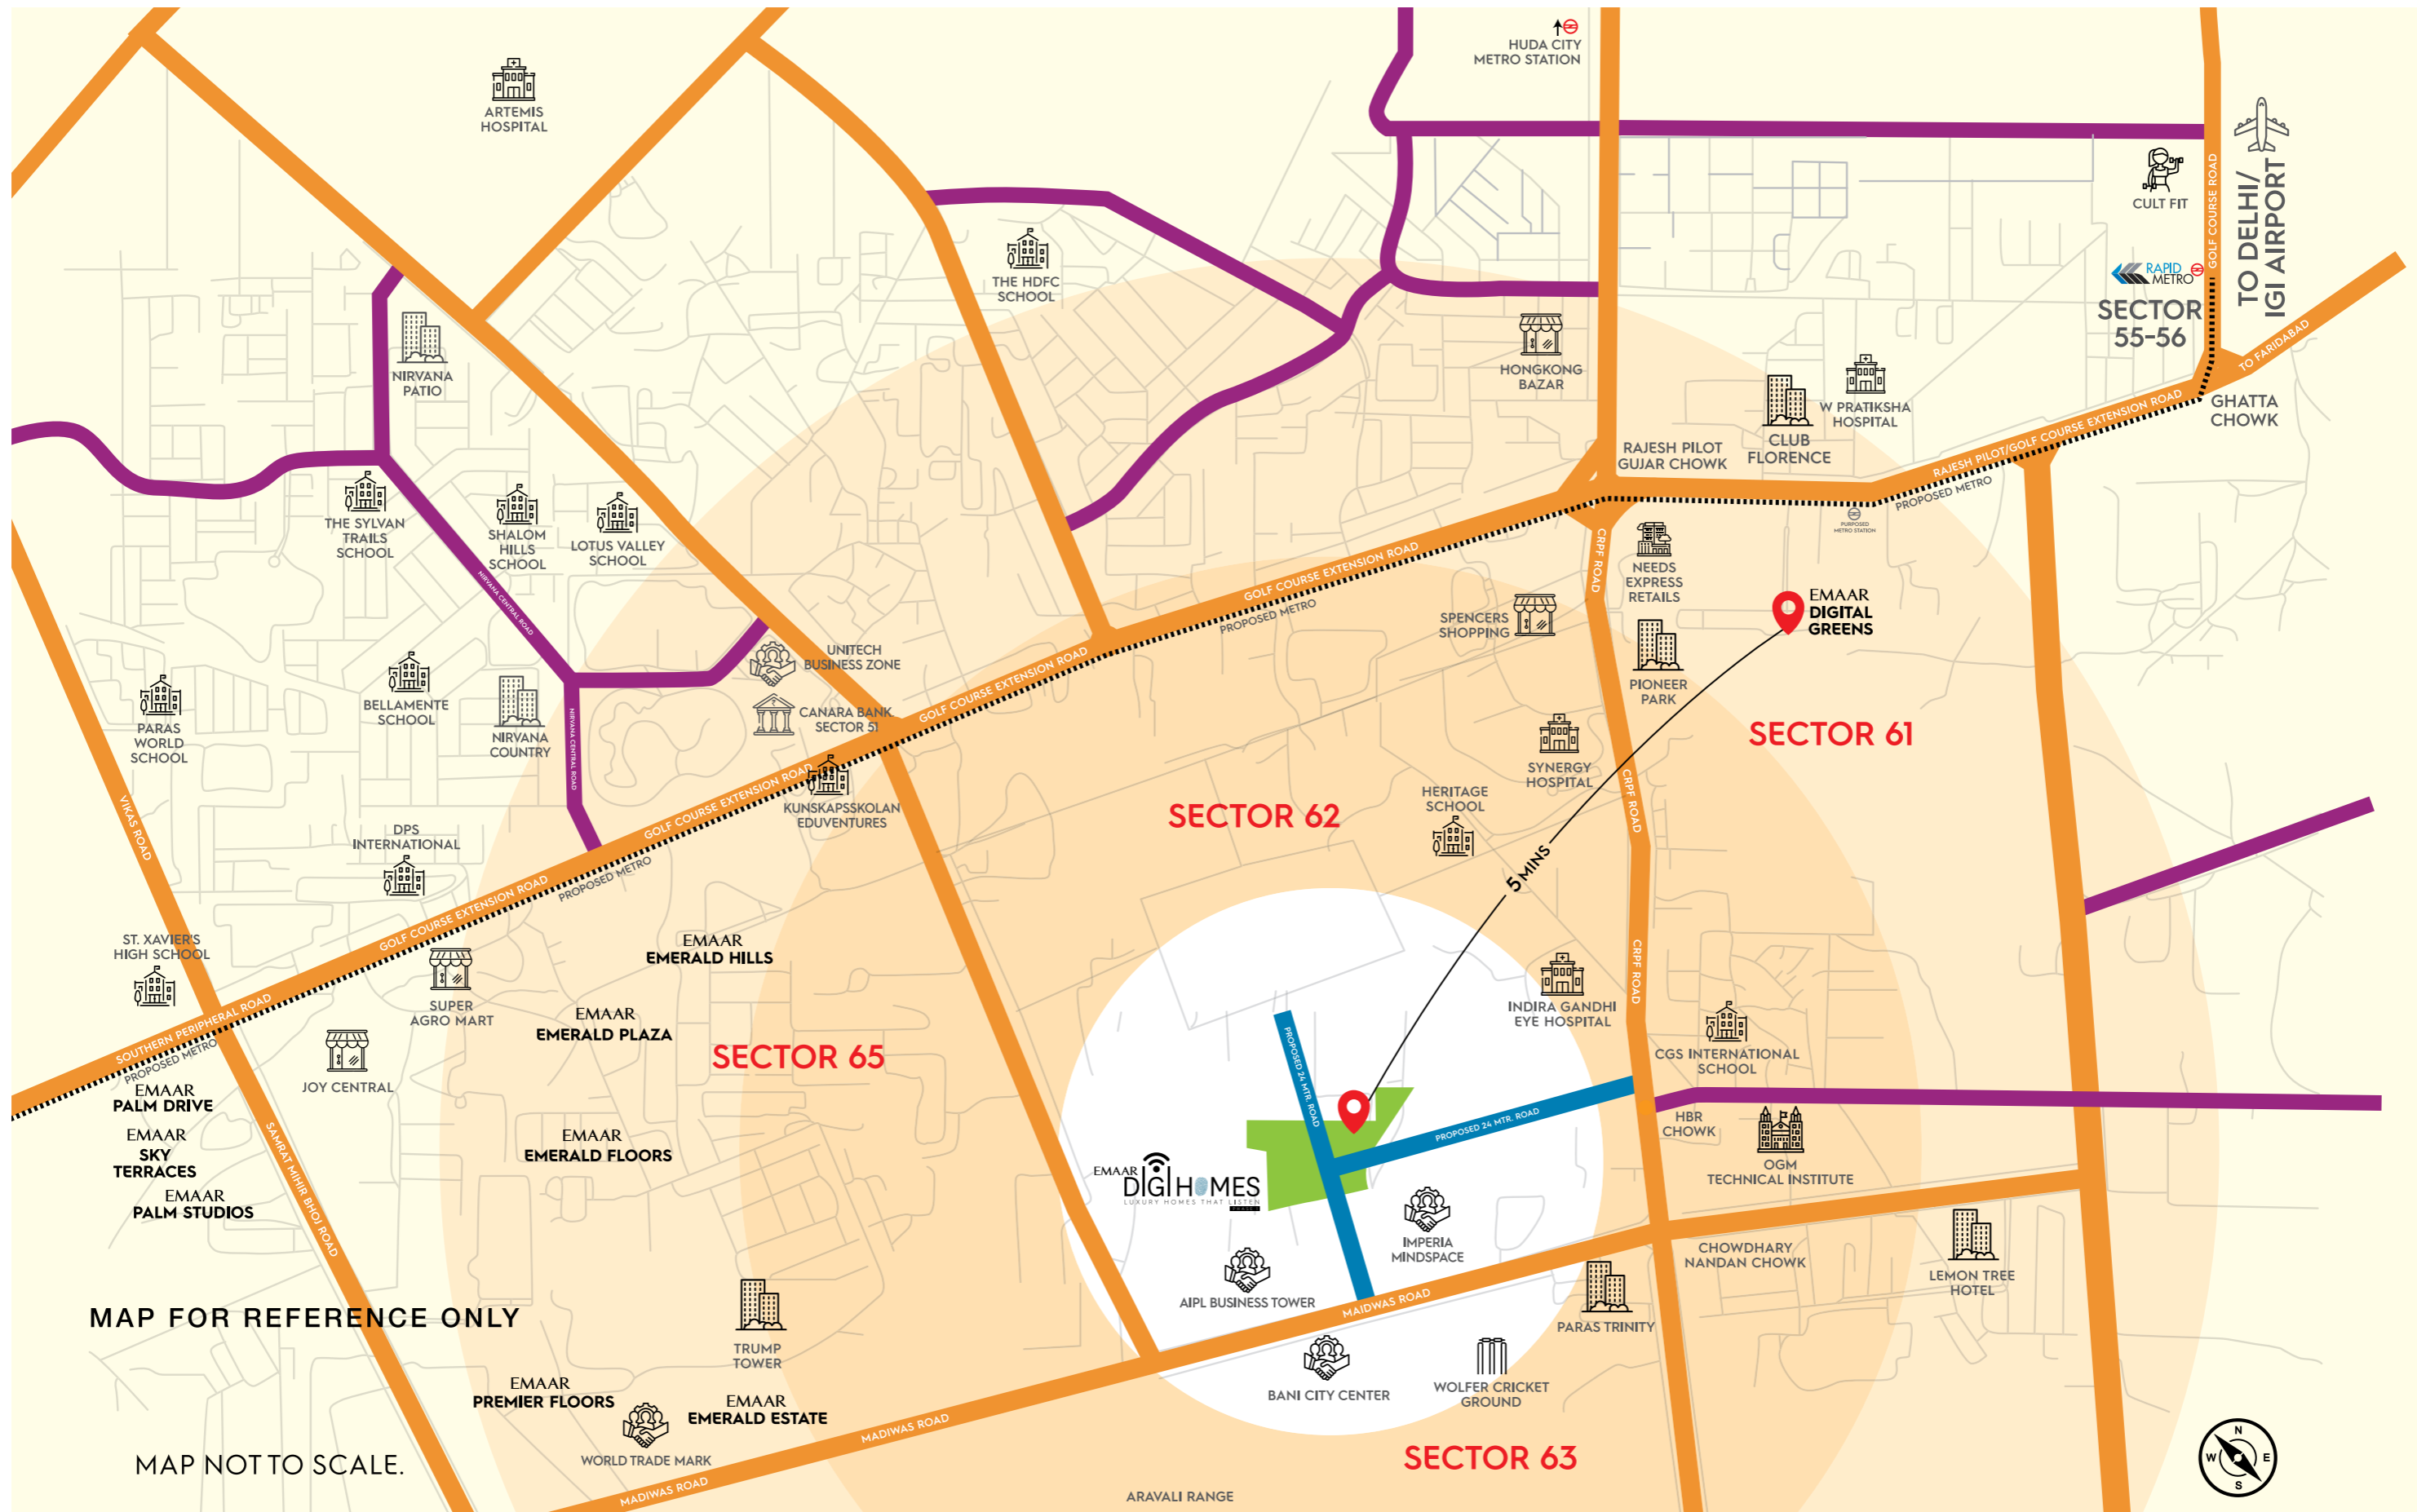

³Commissioning of world-class projects including Delhi-Mumbai Industrial Corridor (DMIC) to boost the growth prospects of the area.

The Golf Course Extension Road is being developed on the concept of walk-to-work with a 200-metre commercial belt. 05-minute drive from Sector 55-56 Rapid Metro, 10-minute drive from NH48 and HUDA City Centre Metro Station, 40-minute drive from International Airport (T3), in close proximity to emerging urban business and residential hubs at Golf Course Road, MG Road and Cyber City⁴.

²Immense Potential: <https://www.axiomlandbase.in/hmrtc-to-implement-gurugram-mansar-bawal-metro-rail-corridor/>

³DMIC: <https://www.aninews.in/news/business/golf-course-extension-road-as-epicenter-of-gurugram-realty20200228141946/>

MORPHOGENESIS

Architecture of Digihomes brings together the three elements of living. Experience the pleasures of a low-rise bungalow with its splash of greenery and open spaces. Designed with individual towers, each consisting of four apartments to a central core, the three-side open apartments allow each tower to have its own individual expression and identity.

JMC CONTRACTORS

JMC PROJECTS

JMC Projects India Ltd. the (of Kalpataru Group) is a highly acclaimed PAN Indian construction company that employs best in business practices from world with a deep understanding of construction engineering. It is one of the most widely recognized construction companies for its commitment to safety and sustainability.

GRIHA

TOWARDS A SUSTAINABLE TOMORROW

Modern dwellings and habitats interact with the environment in various ways – consuming resources from construction to operation.

GRIHA attempts to minimize a building's resource consumption, waste generation, and overall ecological impact to within acceptable limits.

GRIHA rating helps assess the building performance against benchmarks and parameters requisite of 'green buildings.'
