# SPR: The Road to Future Growth

1

SPR connects Golf Course Extension Road to NH-8, hence providing seamless access to other parts of Gurgaon, Airport and Delhi.

2

At Vatika Chowk, SPR intersects Sohna Road which hosts multiple corporate parks, shopping malls and residential societies.

To make SPR a signal-free corridor, the state government is constructing an underpass at Vatika Chowk.

4

NHAI's new 16-km expressway named Greater Southern Peripheral Expressway (GSPE), will connect Delhi-Gurugram Expressway to Manesar on NH-8 through SPR. This will further improve the connectivity to both Delhi and Manesar.

5

3

SPR will be part of the upcoming Metro Route from Huda City Center to Manesar via Vatika Chowk.

6

To reduce traffic snarls, NHAI has planned a cloverleaf on the NH-8 which will connect to the SPR directly.

7

The state government has sanctioned Huda's Rs 453-crore plan to widen the Badshapur drain and construct stormwater drains and wells along SPR to tackle waterlogging and rejuvenate groundwater tables.

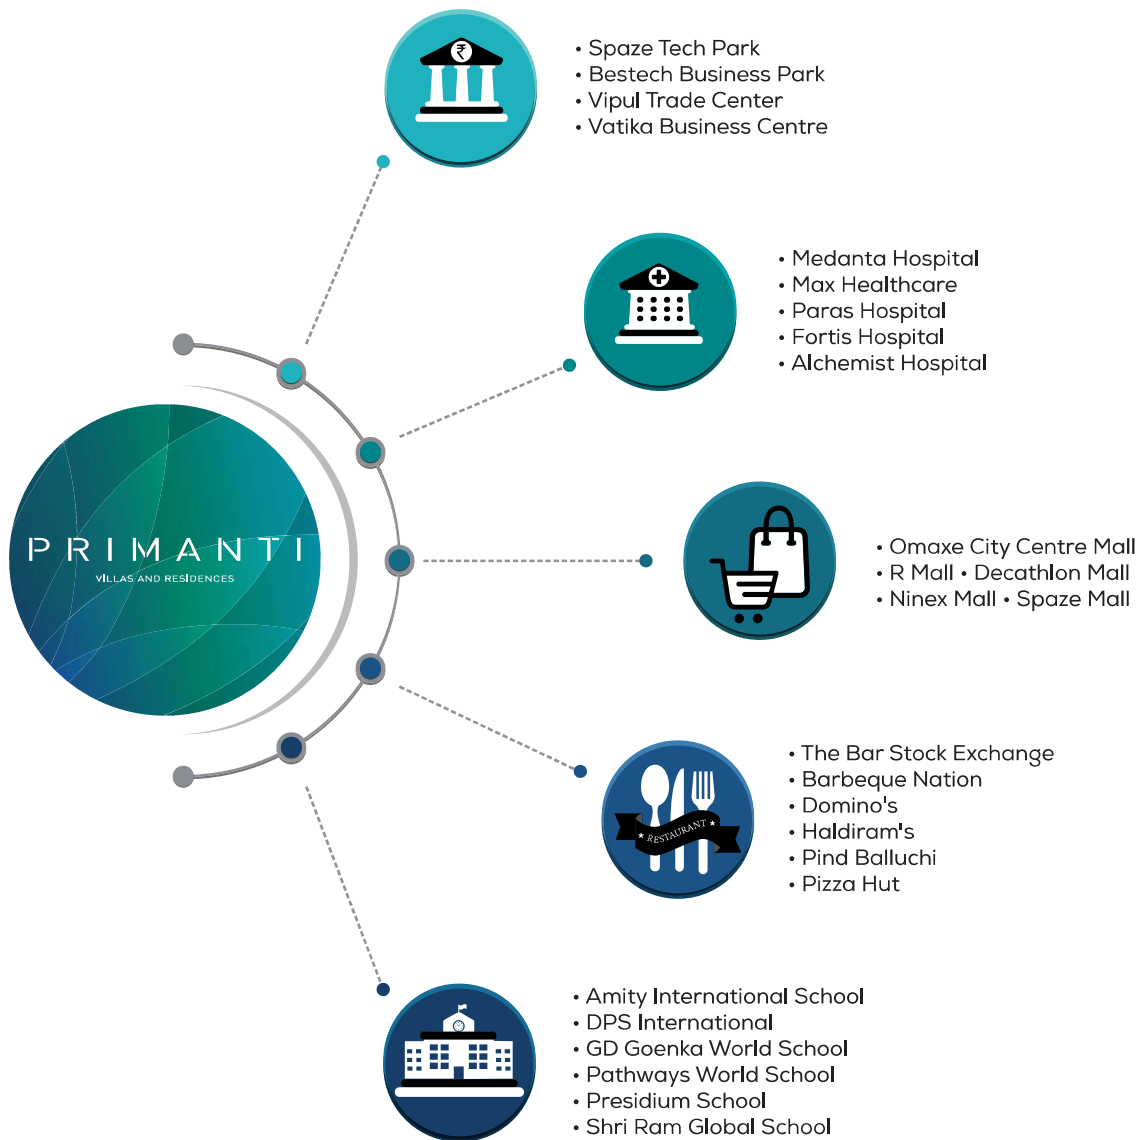

8

Because of superior connectivity, many private corporate parks (Tata Realty, DLF etc.) are under construction on SPR.

It's not just the vertical build but intelligent design that defines a vertilla. Take its skylight courtyard for instance, which allows natural light and air to seep into every corner. Or the remote-controlled basement parking that ensures open green spaces on ground floor. The massive common areas housed within allow for memorable parties. All intelligently designed with only one thing in mind. You.

## FEATURES

### G+3 STOREY VILLAS WITH BASEMENT

- 4 Bed Residences
- Skylight Courtyard
- Remote-controlled Basement Parking
- Common Area on each floor
- Private Garden
- Plunge Pool
- Personal Elevator
