AAROHAN RESIDENCES
PHASE-I

+918586866824

Aarohan introduces a whole new concept of luxury to private residences in Gurgaon. A work of meticulous planning, the residences at Aarohan are a perfect blend of form and functionality.

With optimum utilisation of space, there is no wastage, ensuring that you get the most from your apartment.

Thoughtful designing creates a comfortable, congenial and healthy environment for the occupants. The 34 and 36 storey high iconic towers have 4 apartments on each floor with 4 spacious lifts along with an additional service lift for each tower.

The interiors are planned and designed to let in ample light and ensure cross ventilation. Separate living and dining spaces, exclusive utility balconies with kitchen, spacious dressing room, family lounge for a perfect celebration, and large terraces opening up to spectacular view – that's a glimpse of a typical Aarohan home.

Every single expression of an Aarohan home speaks of attention to detail and refined living.
